### **Cub Scout Rally Night**

Attention Boys! If you are in the first thru fifth grades and interested in joining Cub Scouts well, *HERE'S YOUR CHANCE!* PACK 381 from Willbern Elementary will host a rally night at the school on **September 15 at 7:00pm**. Bring your parents and find out more about Scouts. We look forward to seeing you there!

### **Yard of the Month**

Congratulations to John and Sarah Figueroa for a yard well kept! This will be our last yard of the month for the year. We look forward to seeing beautiful yards next spring. Thank you to Earthcare for delivering special "Goodies" for the winners this year.

### **NEW PICNIC TABLES**

Have you noticed the tables under the trees directly in front of the entrance to the pool? We hope that these tables will provide a shady spot for people in our community to gather and spend time with their neighbors.

### **NATIONAL NIGHT OUT**

The weather was hot but the breeze was nice and fun was had by all who attended the annual National Night Out Celebration. This year's party can boast the largest attendance since we have observing this festival. Those in attendance enjoyed the fire truck, the State Trooper and his car, the moonwalk, and Kim's face painting booth. Let us not forget the lemonade, the cookies, the ice pops, and the cold, cold water. The children received treat bags and complimentary magnets were given to the adults. Special thanks are offered to the HOA board and the many volunteers who made this a successful night. Stop by Kroger's and thank Mr. Campbell who supplied the cookies and bottled

water. We hope to see you next year.

## Crime Watch

According to the Constables there has been a rise in crime in our community. This is a friendly reminder to everyone to be vigilant about keeping their doors, windows, and vehicles locked. Be sure to keep garage doors closed at all times. Remember to leave a porch light on during the night. If you see anything suspicious on your street, near the park, or in the neighborhood contact the constables **NOT BOARD MEMBERS!**

**Q:** What are the procedures for Loading and Unloading the bus?  
**A:** If your student(s) need to cross the street to load or unload the bus, please instruct them to wait for the bus driver to cross them in FRONT of the school bus. The driver will motion when it is safe to cross by moving their hand in front of them. Students should cross a minimum of 10 feet (6 giant steps) in front of the bus. A dangerous situation is created when students cross behind the

bus. If you are crossing with your student(s), please wait on the driver's signal to cross, so you may do so safely. Thank you for your assistance in helping us to provide the safest transportation for our students.

**Q:** Many services and prices have changed or increased. Have school lunches gone up?  
**A:** No, the prices for lunch did not increase. Lunches are \$1.65 for students and \$2.15 for adults/visitors.

## School Holiday

The first holiday for the students this year is Labor Day, Monday, September 7, 2009. We hope you have a safe Labor Day Weekend.

### **Watching For children**

It's that time again! School is in session and the buses are running! Be careful while driving; make sure you look around before backing out of your driveway. Remember children are walking to and from their bus stops. **WE LOVE OUR CHILDREN!**

### **Friendly Reminder**

We would like to remind everyone when mowing to bag or mulch their grass clippings. Please do not blow clippings down into the gutters, leave them in the street, or on the sidewalk. It is illegal to put grass clippings or other yard waste into the storm sewer. This can contribute to poor drainage and flooding.
