

Harvest Bend,
The Meadow January 2008

Welcome 2008!

We would like to wish you and your family a Happy New Year!

Christmas in the Park

We had a wonderful turn out in the park this year for our party. We had 107 come out to see Santa and to ride the hayride. All enjoyed refreshments, hot cider, and socializing among our neighbors. The "Snowman Soup" was a hit with the little ones. Santa has enclosed the recipe for you "older" children. Special thanks to Mr. Campbell, Kroger Manager, for his generous donations, and continued support for our subdivision. Thank you to Gilbert Perez, owner of Los Caporales, for his generous donation of two gift certificates for the constables who escorted the hayride. Patti Hodges would like to thank her committee, Kim Bohot and Lisa for their time and effort for preparing for this event. A heart felt thanks, to Paul Behrend, who coordinated the hay, and the trailer, and drove the truck to make the hayride such a success.

Board Member Highlight

Hormoz Vassez

Hi, I've lived in Harvest Bend The Meadow for about five years, and have been on the board for a year and a half. In addition to being a homeowner, I believe my priorities are affected by the business I'm in. As a real estate broker, and investor, my priorities are to preserve the integrity of our neighborhood at the minimum cost to the homeowners. Since I was elected to the board, I have been focused on a few issues that I believe didn't receive sufficient attention before. Some issues that we have acted on since I got on the board are installing security cameras at the park area, and getting better control of our reserve funds. As a board member, I'm glad to be able to volunteer and dedicate my time to make sure our neighborhood stays on the right track.

School Holiday

The next school holiday is Monday, January 21, 2008 for Martin Luther King Day.

Open Discussion:

- Our Property manager is being replaced and we should have a new property manager by the time of our January meeting. Steve Edgar, owner of TCMCI, facilitated our December Board Meeting. In the meantime, if you need any TCMCI assistance, please contact Sammye Young at 832-660-0700.
- A homeowner expressed concern about a couple of

on-going non-compliances to our Rules and Regulations. The homeowner was assured that the formal required process is being followed and that these non-compliances are being sent to Legal for pursuance through the appropriate legal process. Unfortunately, this may take longer than we'd like.

- The invoice for 2008 Maintenance Fees has been sent to each homeowner and the good news is that the 2008 maintenance fees will not increase. If you have not received your invoice, contact Sammye Young at TMC. Your 2008 maintenance fees are due no later than January 31, 2008. Beginning February 1, late fees and interest will accumulate to your account. If you have not paid your maintenance fees by May 1, 2008, (and have not made arrangements for a payment plan,) your account goes to Legal for collection and a lien may be placed on your home.

Executive Discussion

 - We have finalized the details for these items for 2008.

on the communications committee.

- We are taking bids to fix the lighting at both entrances to our subdivision. If you know of a good licensed electrician, please contact Sammye Young at TCM.
- The Board approved the CPA's audit for financial year 2006.
