

## Harvest Bend The Meadow, Sept. 2008

### **Yard of the Month**

Congratulations to Michael and Maria Aaly for a yard well kept. This concludes the yard of the month for 2008. Yard of the Month of will begin again in April of 2009. We look forward to recognizing those beautiful yards.

### **National Night Out**

The recreation committee decided to cancel our festivities for Tuesday August 5, due to Tropical Storm Edouard. We would like to thank everyone who volunteered to plan this event. We also extend many thanks to Mr. Campbell, Manager of Kroger, for his continued support of our subdivision. We look forward to seeing our neighbors next year!

### **Trick or Treat in the Park**

Hey Kids!! Come join the fun October 31, inside the gate of the pool house. Festivities will begin at 6:30pm. Plan to bring a non-perishable food item such as: rice, macaroni, beans, peanut butter or any canned item to be exchanged for a Halloween treat. The food collected will be taken to a local food pantry to help those in need.

### **Garbage and Trash Cans**

Please remember trash cannot be taken to the street any sooner than **24 hours before** scheduled pick up. All trash containers must be stored out of view at the end of the day. Containers can be stored behind your fence, but **NOT** along side your house.

## Friendly Reminder

We would like to remind everyone when mowing to bag or mulch their grass clippings. Please do not blow clippings down into the gutters, leave them in the street, or on the sidewalk. It is illegal to put grass clippings or other yard waste into the storm sewer. This can contribute to poor drainage and flooding.

## HBTM Playgroup

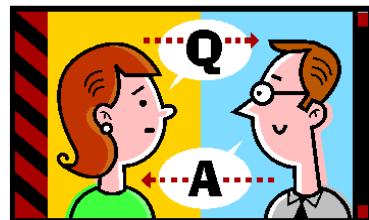

Are you looking for the playgroup? The time and location has recently changed. Moms and their little ones meet at **11:00AM** in the **pool house** for the rest of the summer. If you have any questions contact Kim Bohot at [Kim.bohot@sbcglobal.net](mailto:Kim.bohot@sbcglobal.net).

The Board stated the electronic games (Play Stations, X-Box, etc.) are not allowed at the pool. Pool will be closed August 25 – 29, will be open August 30-Sept. 1 and then will be closed for the season.

## Open Discussion

- We are in discussion with TCM to make available on their website ACC forms and other information.
- Pool – Bill Chowlein and Jean of H-Rec discussed pool activities. The pump for the baby pool and several lights has been replaced. Warranty information is maintained by H-Rec and is traced by serial numbers on the equipment. Warranty begins with date H-Rec bills us. H-Rec's invoice states if there is a warranty on any equipment installed.
- **Playground/pool area – Please be aware:** small poisonous snakes have been seen in the playground/pool area. If you have an idea of how we can prevent the snakes from coming onto our property from the bayou, please let us know.
- Several homeowners attended to voice their concern about a particular house in the neighborhood that continues to be in dire need of maintenance. The Board authorized TCM to give the homeowner a deadline of August 25, 2008, to be in-compliance

with HBTM requirements or there will be "forced maintenance" performed and billed back to the homeowner.

- The financials and deed non-conformances were discussed and agreed to. Several demand letters were filed in July against homeowners who continue to be in non-compliance with their responsibility as homeowners. Further non-compliance will result in filing of a lien and possibly foreclosure.
